PROJECT: **CROSS BORDER STOLEN** **VEHICLES**

This document aims to alert the public to the many vehicles stolen in South Africa that are never recovered. Our Specialist Investigators visited Mozambique over the weekend, specifically to trace some of these vehicles. As a result, a multitude of stolen vehicles was identified, including motorcycles, 4X4 bakkies, and even boats.

VEHICLES AT CHIBUTO POLICE STATION IN MOZAMBIQUE.

-
1. It seems as if the Komatipoort border post and most other border posts are part of the problem.
 2. Our investigators crossed the border into Mozambique and back again without their vehicle's registration papers being checked by either the Mozambique authorities or the South African authorities.
 3. Neither our vehicle nor our luggage was checked on either side of the border – not during our entrance or exit from the country.

EXAMPLES

Example 1.

1. The client's vehicle, a Toyota Land Cruiser and three other vehicles were taken during an armed robbery in Ventersdorp, during October 2021.
2. Owing to the fact that the vehicle was circulated on the SAPS and Interpol system, the vehicle was recovered in Chibuto, Mozambique.
3. Without the vehicle being circulated on the Interpol system, it would have been near impossible to recover the vehicle.
4. Our Attorney in Mozambique is busy with all the relevant paperwork to have the vehicle returned to South Africa.

Example 2.

1. Our client's 2 motorcycles were stolen in November 2021.
2. Owing to the information received, our agents in Mozambique were able to recover both items.
3. Although both motorcycles were reported stolen in South Africa, they were never circulated with Interpol.
4. This caused problems with the recovery process owing to the authorities in Mozambique, not having access to the South African Police Service data basis.
5. As a result of our intervention, an Investigative Officer from the South African Police Service started the process of having the motorbikes circulated on the Interpol System.

-
6. As a result of this, we prevented the arrested suspects from being released. Both motorbikes were handed back to the suspects.

Example 3.

1. Our client's motorcycle, a KTM, was stolen.
2. He received a call from an unknown man from Mozambique, informing him that the motorcycle was in Chokwe, Mozambique.
3. He was requested to pay an undisclosed amount for the return of his motorcycle.

-
- In most cases, the owners are contacted and extorted for money.
 - Once the money is paid over, the person will keep requesting more money and the item will never be returned.
 - Most of the vehicles/boats and motorbikes stolen are taken to Chibuto, Xai-Xai and surrounding areas.
 - Without these items being circulated with Interpol, the chances of the items being recovered are close to zero.
 - The process to have the vehicle/boat or motorbike returned to South Africa is costly and takes around 5 weeks for the process to be completed.
 - Numerous factors play a role in the process.
 - The process for the South African Police to recover the items and being returned to South Africa will take longer, and the longer your item is left in Mozambique, the better the chances are that it will go missing again.
 - When these items are stolen, please ensure that the Investigative Officer from the South African Police Service circulates your vehicle/boat or motorbike on an I/247 with Interpol.
 - The biggest problem for the Mozambique Police is that when they contact the owners of these vehicles, the owners are no longer interested in recovery as their insurance has already paid the insured stolen vehicle.
 - In some cases, the owners collected their stolen property but resold the item without notifying the SAPS or insurance company.
-

Specialised Security Services has the ability and the manpower to penetrate our neighbouring countries to identify stolen vehicles and help with the recovery thereof.

Our specialist investigators can legally return the stolen property to South African owners or even the appropriate insurance companies. Suspects can also be exposed on our social media platforms.

We are the only company with all the necessary tools, means, and contacts in Mozambique and other neighbouring countries to execute these operations.

If anyone requires our assistance in anyway, please contact us.

All information will be treated with the utmost privacy and confidentiality.

FORWARD THIS DOCUMENT TO EVERYBODY.

You may forward this project. Please ensure that you send the entire project.
