PROJECT:
KIDNAPPINGS

**THE KIDNAPPING
OF THE FOUR
MOTI BROTHERS**

Mr. Bolhuis and Specialised Security Services are frequently contacted for information regarding kidnappings and recently, more specifically - the kidnapping of the Moti-brothers.

It is important to work on the factual information at hand and not on any hearsay, fake news or possible misinformation.

THE EVENTS:

- On 20th October 2021, the four Moti brothers, Zidan (6), Zayyad (11), Alaan (13) and Zia (15) were kidnapped en route to school.
- The driver of the vehicle was left behind after the incident.
- They were on their way to Curro Heuwelkruin private school from their home in Narvana.
- According to information, two vehicles were involved, namely a white Kia Sorento and a black Mercedes Benz.
- They blocked the vehicle transporting the Moti brothers.
- Seven men, all wearing white overalls, alighted from the vehicles and started firing shots at the vehicle in which the boys were.
- The kidnappers forced the boys out of the vehicle and into the black Mercedes Benz.
- They drove off with the boys and left the driver behind.
- It is clear that a high level of planning went into the kidnapping.
- It is now nearly three weeks later and there is no news on their whereabouts or any public demands from the kidnappers.
- High-profile kidnappers use the tactic of keeping the children for a while to ensure the parents will do anything to have their loved ones returned and as soon as possible. The kidnappers thus ensure they get the highest possible ransom from family.
- The kidnappers are in control, and they determine the rules of engagement, leaving the parents feeling desperate and helpless.
