ATTEMPTED CIT ROBBERIES

06/06/2022 Tugela Ferry KZN

One suspect has been arrested and charged, following a foiled cash-in-transit (CIT) heist. The heist was planned to take place in Tugela Ferry during the course of Monday (June 6). Three suspects got out of the vehicle and approached the G4S van on foot, the suspects then spotted the operational members and fled the scene. Another operation was planned, with various units responding and implementing a tactical takedown plan. A close eye was also kept on the vehicle as it passed through Newcastle. Instructions were given, where operational units tactically boxed in the vehicle and did the takedown. One male suspect was arrested. An unlicensed 9mm pistol (with 15 rounds of live ammunition in the magazine) and two rounds of live ammunition were found in his possession. Three cell phones, six suspected stolen clothing items, and the vehicle were also seized as evidence.
