

PROJECT:
PERSON OF INTEREST
RAYMOND GROBLAAR
WARNING TO THE PUBLIC

It has become increasingly necessary to exercise caution and vigilance, especially when dealing with individuals whose intentions may not always align with ethical standards. One such individual who is of concern is Raymond Groblaar, born on 6 September 1997 and last known to reside on De Jager Street, Colesburg.

Raymond Groblaar has garnered an alarming reputation, which warrants a stern warning to the public. Numerous complaints have been filed against him, which creates a troubling picture of his conduct and character.

MODUS OPERANDI:

- Prevalent issues revolve around financial matters.
- He has been accused of borrowing money from individuals but neglects his obligation to repay.
- This pattern of behaviour causes financial strain and hardship for those involved and erodes trust in the community.
- Additionally, Groblaar has been implicated in various cases involving theft.
- From misappropriating wages to absconding with diesel money, his actions have left a trail of victims who have suffered tangible losses as a result of his deceitful practices.
- There are reports of him posing as a building contractor, accepting contracts and then vanishing without completing the agreed-upon work.

*Exercise caution when encountering
Raymond Groblaar.
Reconsider engaging in any form of
transaction or agreement with him.*

His track record of dishonesty and unreliability serves as a stark reminder of the importance of conducting thorough due diligence and vetting individuals before entering any form of contractual or financial arrangement.

- To safeguard oneself and others from potential harm or financial loss, it is advisable to refrain from extending trust or entering into agreements with individuals whose integrity and credibility are called into question.
 - By remaining vigilant and informed, we can collectively mitigate the risks associated with individuals like Raymond Grobelaar and uphold the standards of integrity and accountability in our community.
-

Exercise prudence and discernment when interacting with individuals whose actions may not align with ethical norms.
